

Flying Horse Lot/Home Owner Acknowledgement

Flying Horse is a covenant controlled and professionally managed community. At the time of purchase of your Lot or completed home in Flying Horse, whether new or resale, you automatically become a member of the homeowners association and are responsible for reviewing all documents associated with this membership.

You were provided these documents with your initial contract package, but you can also access them online. The sign-up process is quick and easy. Visit <http://www.flyinghorseowners.com> to get started. As a new owner, this site allows you to register to receive informative eBlasts, access to the community calendar of events, etc. For additional questions and correspondence please contact Hammersmith's Client Services department at: clientservices@ehammersmith.com or call 719.389.0700.

To be sure the Association has the correct contact information for billing or other communications please provide the following information:
